Wednesday August 23rd 12:00pm - Posting of Final Bookings and Times for Lottery

Thursday August 24th 7:00pm **Official Lottery**

It's time again to sign up for seasonal indoor times in the Courthouse and Bubble. A large poster titled "Sign Ups for Indoor Time" will be in the lobby. The lottery will be held on Thursday August 24th, at 7:00pm in the main lobby. Here is a review of how the lottery process works:

- 1) Beginning on Thursday August 10th at the Courthouse Reveal and continuing through Tuesday August 22nd, sign your name on the poster under Bubble or Courthouse in as many time slots as you feel you need to insure that your tennis group gets a time for play. For example, if your preferred time for the season is in a high demand time zone, you may want to sign up for one or two alternate times (please prioritize your preferred time slots). **Signups will continue until Tuesday August 22nd 12:00 NOON.**
- 2) The deadline for signups will be Tuesday, August 22nd at 12:00 Noon. **Choices cannot and will not be added after this time or during the actual lottery.** This is to insure fairness from start to finish of the lottery process.
- 3) **You will need to attend the lottery if there are 5 or more names desiring to purchase a specific timeslot.** If your timeslot has 4 or less names listed, you do not need to attend, unless you have other times that will be selected in the lottery. Everyone should check the sign-ups on Wednesday August 23rd, to see if they need to be present for the lottery on Thursday evening.

- 4) The lottery process will begin with over-booked time slots in the building (Bubble or Courthouse) showing the highest number of over-subscribers for a given time period. That time will be “lotteried” first, and then the other building site will follow, to be continued with the next highest-demand time slot. Should the same number of people sign up for the Bubble and Courthouse, the Bubble will be called first. This system may result in your alternate time coming up for selection before your preferred time but this is a consequence which must be accepted as a risk of the process.

- 5) At the lottery, should you win your preferred or back-up time, you may ask to have your name removed from other timeslots **NOT YET SELECTED BY LOTTERY**. As for your winning time, your name will be entered in ink on the master sheet and you are responsible for full payment for that time period. Billing for indoor time will occur in the September billing statements and will be due September 30th, 2017. **Any times not paid for in full by the due date will revert to open and available indoor time.** Please do not request that the Accounting Office divide up the billing among your group.

- 1) The Junior program will run clinics Monday through Friday from 4:00pm-6:00pm in the Bubble and the Courthouse from 4:00pm to 5:30pm.
- 2) The Junior Tournament Match Play will be held on Saturdays in the Bubble from 1:30pm to 3:30pm.
- 3) Quads will be occurring on Saturdays from 8:30am to 10:00am in the Bubble and Courthouse. This program was originally sanctioned by the club to allow new members to get acquainted and it has been successful for many years. Registration is pre-arranged and signup is unrestricted for all members.
- 4) Upon the conclusion of the lottery, working with the Tennis Department, RRC will determine when to offer adult clinics throughout the indoor season.

Finally, please bear in mind that the club has a financial obligation to market our indoor courts to the fullest extent possible. This means the larger potential blocks of time are offered for sale first, following in succession by each potentially smaller category of usage. Below is the order of priority in which courts will be offered for sale:

#1: Seasonal Sales to RRC Members (Starts Aug 10th for the lottery. Once lottery is complete members may purchase available indoor contract time at any time.)

#2: Seasonal Sales to Non-Members (Starts Sept 18th)

#3: Seasonal Sales by RRC's Tennis Department (i.e. Core Clinics, Private Lessons, etc)

#4: RRC Indoor Leagues

#5: Mini-packs and daily court sales

We will market unsold indoor court time to non-members beginning September 18th, 2017, so help us get the word out that RRC is the place to play tennis over the winter!

WE LOOK FORWARD TO AN EXCELLENT 2017-2018 INDOOR SEASON!
